

Big Money Is Supporting Legislators Who Are Attacking Illinois Pensions and Educators!

Don't Delay – A Donation to IRTA Political Action Committee is in Your Self-Interest

According to the State Board of Elections \$55.6 million was contributed to campaigns during the last six months of 2011. Both republican and democratic candidates that support full funding of the pension system, retirees' health insurance and other retired teachers' concerns are under fire in this election year.

Ty Fahner whose Chicago's Civic Committee supports and advocates for major pension reforms for active teachers (SB512) started a brand new PAC called We Mean Business. That committee has raised \$143,000 in its short existence.

The IRTAPAC continues to grow but we need your help. Donate to our IRTA Political Action Committee and protect the status of retired teachers by donating just \$1.00 per month through pension deduction. IRTA will continue to fight for retired educators' benefits as we have for over 50 years. **Help Us in Our Fight!** Mail the donation form below to IRTA, 620 N. Walnut St., Springfield, IL 62702.

IRTA secured the TRS certified amount of funding for Fiscal Year 2012.
