

Contributions to REPAC

The Assembly of Delegates to the 2001 IRTA Biennial Convention authorized the creation of a political action committee. This PAC, known as REPAC (Retired Educators Political Action Committee), serves as the vehicle for us to make contributions to candidates running for state and federal offices when we believe these candidates will help to further the legislative goals of our members and organization. A PAC without funds is not an effective instrument; it is not a PAC. Now we need for those members that are committed to helping us achieve our goals concerning our pensions and healthcare to make a contribution to the PAC. Checks should be made out to REPAC and mailed to **IRTA, 620 N. Walnut St., Springfield, IL 62702**. Please enclose the form below.
