

**YOUR VOICE,
YOUR RESOURCE,
YOUR RETIREMENT**

The IRTA PAC works tirelessly to advocate for policies that protect pensions, improve healthcare access, and defend the rights of retired educators.

Strength in Numbers: When a large portion of our membership participates, we show lawmakers that we are a united force, committed to protecting what we've worked for throughout our careers.

Your \$1 per month helps fund political campaigns, lobby efforts, and advocacy initiatives that protect our pensions and benefits.
